### CONGRATULATIONS! Our club was #1 In District 6950 out of 49 Rotary Clubs

The Rotary Club of Dunedin's members contributed \$25,740 to the Rotary International Foundation last year.

November is Rotary Foundation month and time to recommit our club. The Rotary International Foundation, not to be confused with our club foundation, is extremely unique. We Rotarians, who have raised and donated the funds, have a say in how every cent is spent. Half of what we donate to the Annual Programs Fund returns to our district for us to spend through the District Designated Fund. The other half we spend through the World Fund. EVERY Annual Fund donation is spent on programs that Rotarians carry out.

The Foundation Trustees don't spend the money. They establish the

policies and invest, manage, and audit the money to ensure the charitable status of the programs. They lay down the criteria after we Rotarians decide what types of projects we wish to support. Never ask the Trustees the practical status of a particular program or project... they will not know. They have no clue how many Ambassadorial Scholars we have, where our GSE team is, who the Morning Star Fishers are, how many wells in Equador we have help build, nor the projects in our communities supported by Simplified Grants - that's up to us as Rotarians.

With the help of Rotarians like you though our Rotary Foundation, we are a shining example of one project at a time having a significant and lasting impact.
