Announcements

Speaker – Dr. Levitt

2006-2007 Club President, Bill Francisco made the following comments at his installation celebration on June 27th.

“Thank you for the honor of serving as your President for the next year. I will do everything I can to demonstrate the trust that you have given me.

The Dunedin Rotary Club will celebrate our 60th year of service on February 11, 2007. I think it will be appropriate to celebrate our club’s 60th birthday with something special. I’m inclined to look for some memorable project that would celebrate our 60 years of service in Dunedin.

So what is my vision for this coming year? First, I want to make sure that I don’t mess up any of the great work done by many people over the past 60 years. I have surrounded myself with good officers and directors and am confi-

dent that we will do a great job. One only has to look at the many successful projects and there is a successful Rotarian behind every project. Our triathlon is a great example. It is a successful event because of many club members and many hours of thankless work. There are other examples of our clubs good work including our contributions to the Rotary Foundation. I am very proud that our club is one of the District leaders in contributions to the Rotary Foundation.

My vision is tied to the new Rotary theme – Lead the Way. I hope our club will continue to lead the way through our club projects that contribute to our community. I am very proud of our club’s leadership in the new Honeymoon Island Rotary Centennial Nature Center and I hope we will be able to find new projects that will make a lasting contribution to our community.”

Rotary Centennial Nature Center Wins CVB Grant

The Rotary Centennial Nature Center At Honeymoon Island recently received preliminary approval for a \$50,000 new product grant from the St. Petersburg/Clearwater Convention and Visitors Bureau. The grants for the October 2006-September 2007 fiscal year was awarded to the Friends of the Islands, Inc. and will be used to advertise the new Nature Center throughout Florida and the United States. The Nature Center is nearing completion and is expected to open before New Year.

OFFICIAL GOVERNORS VISIT

AUGUST 8th

Governor Doug Palonder will make his official visit to the Rotary Club of Dunedin on Tuesday, September 8th.

The Board of Directors will meet with the Governor prior to the regular lunch meeting starting at 10:30 AM at the church. All the major area Chairs, Administration, Public Relations, Foundations, Membership and Service Projects will be asked to update Governor Palonder on plans for the 2006-2007 year.

New Paul Harris Fellow

Donna Berg received a Paul Harris Fellowship from our Club for her many years of Interact service at Dunedin High School.

HAVE A ROTARY QUESTION?

- Where can I make-up?
- When does the Board meet?
- How can I call or email one of my club members?
- Where is the next International Convention?
- How do I reach a District officer or chair?

All these answers are on one of the Rotary Club web sites.
