Tuesday, August 1, 2006

District Governor Palonder Official Visit New Week

Please extend a warm welcome next week to the new District Governor Doug Palonder. Doug is a member of the Rotary Club of Clearwater East with strong ties to Dunedin. This is the annual official Governor's visit and Doug will talk about his plans for this year.

Our Club chairs and members of the Board of Directors will meet with the Governor prior to the regular lunch meeting starting at 10:30 AM at the church. Club members are welcome to join the 10:30 meeting.

SEEKING 60th ANNIVERSARY PROPOSALS

Your Board of Directors is seeking proposals from all our members for events and projects to celebrate the Rotary Club of Dunedin's 60th anniversary which will be February 11, 2007.

The Board would like to collect proposals and plans to present the top proposals to the whole membership in late October for a vote.

There was discussion about celebrations that ranged from casual picnics to more formal fund raising dinners.

Project discussions included: Historical statues on the Pinellas Trail through the Dunedin Historical Society; sponsorship of a room or program at the new Dunedin Community

Center; and additional participation at the Rotary Centennial Nature Center at Honeymoon Island.

Board members feel there are several worthy projects up for consideration and we hope members will submit additional projects for consideration.

Funding for either a celebration or project will have to be raised above and beyond the current budget.

The Board is requesting that all projects be submitted in writing. Please contact Bill Francisco for additional information.

Bob Blue, owner of Bob Blue Enterprises of Tampa spoke on July 25 and answered questions about how to buy cars. Blue suggested three general concepts: 1) Be prepared. There is a wealth of information on the Internet today including web sites like www.edmunds.com. 2) Buy from a trusted dealer. 3) Do not buy on impulse. Blue said that today's cars are high quality.

Announcements
Speaker - Christmas Warwick - The Haven

What's all this about a new Club Leadership Plan?

The Club Leadership Plan is the recommended administrative structure for Rotary clubs. It includes a number of operational processes that are based on the best practices of effective Rotary clubs around the world over the last 100 years. The plan emphasizes consensus for decision-making, continuity of leadership and project management, and the involvement of all members in service, fellowship, and training. The club committee structure is based on the Recommended Rotary Club Bylaws. Club committees are charged with carrying out the long-range goals of the club. Club committee chairs report all committee activities to the club's board.

The standing club committees to be appointed are:

Club administration - This committee should conduct activities associated with the effective operation of the club.

Club public relations - This committee should develop and implement plans to provide the public with information about Rotary and to promote the club's service projects and activities.

Membership - This committee should develop and implement a comprehensive plan for the recruitment and retention of members.

The Rotary Foundation - This committee should develop and implement plans to support The Rotary Foundation through both financial contributions and program participation.

Service projects - This committee should develop and implement educational, humanitarian, and vocational projects that address the needs of its community and communities in other countries.

Additional ad-hoc committees may be appointed on an annual basis depending on club size and goals.

For more information on the plan, go online to: www.rotary.org/support/club/clubplan.html).
